## Making Changes to the Exterior of Your Home?

Please make sure you follow our Cluster Standards when painting your home, changing the siding, etc. We also have three new choices to paint your door. They are Yarrow Yellow, Grasshopper Green, and Showstopper Red. Make sure the paint is from Sherwin Williams. All standards information can be obtained from the Reston Association. Our covenants advisor is Robert Chambliss and can be contacted via email at [rhambliss@reston.org](mailto:rhambliss@reston.org) or phone at 703.435.6578. ❖

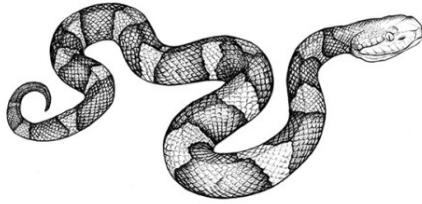

## National Parks

The National Park Service turns 100 on August 25, 2016! The Centennial will kick off a second century of stewardship of America's national parks and engaging communities through recreation, conservation, and historic preservation programs. Don't forget to visit our National Parks this summer. We have two very close to us – Great Falls and Shenandoah. There are so many others to choose from and explore – go to [nps.gov](http://nps.gov) and [findyourpark.com](http://findyourpark.com). And while the US Capitol's dome is covered in scaffolding, don't forget that the Washington Monument is back open! ❖

## Copperheads

Be aware that the Copperheads are back and can be found sunning themselves on the paths and lurking in shrubs. When walking in the evening make sure you pay careful attention to where you step and take a flashlight. ❖

## Bird Baths

Don't forget to change the water in your bird baths daily due to the breeding of Mosquitos. Or just add the Mosquito Dunks to keep it safe. ❖
