

President's Corner

I hope everyone had a wonderful holiday season, and wish you all a prosperous 2018. As we move into the new year, I'm excited for all the new projects our cluster has recently completed and are just about to start. Our tot lot has a new climbing structure for kids to play on once it gets warmer (see story in this newsletter). New steps have been added between Scandia and Park Glen to create access to the path behind homes for owners and their contractors. The Landscape Committee and our maintenance guru (Susan Dapot) continue to keep our cluster beautiful by taking care of all the green space. As for upcoming projects, a railing on the steps leading down to Park Glen will be installed once the design is selected. All of the cracked curbs and sidewalks in the cluster will be replaced once the weather warms up -- the Board will keep you informed as it has a big impact on everyone. Also, the Board is exploring putting entrance signs at each of the streets. And lastly, we are rolling out our new email distribution list so can signup for information about upcoming events, meetings, or urgent messages. Keep reading the newsletter to find out more. Enjoy the rest of the Winter!

-- Dave Berger, President

Friendly Reminder!

We are trying to improve the environment for all neighbors. REGARDLESS OF THE SIZE OF THE DOG, picking up after your dog is considerate and expected. Nothing is worse than walking your dog when you DO clean up after your dog, and stepping in a piece of dog poop someone else has not cleaned up. This means all year, winter included -- please pick up after your dog!!!! Your neighbors gratefully thank you!!!!

Calendar:

Jan 9: Board of Director's meeting, 7:30pm, 1504 Scandia
Jan 15: Martin Luther King Jr. Day
Feb 13: Board of Director's meeting, 7:30pm, 1510 Scandia
Feb 19: President's Day

Don't Forget - Sign Up Today!

Our neighborhood email signup is now active! As a member of the BWWCA email list, you will receive occasional emails with neighborhood information, schedules, digital newsletters, and updates. This is a great way to keep up with changes in the cluster and help us reduce using so much paper.

You can access the signup form on the BWWCA website (www.BWWCA.org) - click on "Signup for Email List" in the top navigation bar. We'll ask for your name, email, and address within the cluster.

And not to worry - we won't sell your information. Thanks in advance!
