A lower Park Glen resident brought to the Board's attention that there is movement in the sidewalk and curb in front of 1506 Park Glen Circle. There is also a home on Park Glen that has a driveway extending to the sidewalk and there is no access for pedestrians. The president will send an email to the homeowner and ask to clear the sidewalk for pedestrian use. The concrete on Park Glen will be inspected.

The Minutes from the September 2017 meeting were approved as presented.

Treasurer Dapot presented the Financial report and it is satisfactory.

Chairwoman LeGros of the Landscape committee reported that completed projects include the Steps project on Park Glen, the path behind 1526 -1528 Park Glen. A flyer will be distributed to all homes informing that the Leaf Pick-ups will be October 23, November 13 and December 4.

New business included a discussion on the possibility of sidewalk and curb improvement. After a Board discussion President Berger asked volunteers Eileen DuBose and Martin Dapot to survey the cluster and inventory the areas that need work, repair or replacement of concrete on the cluster sidewalks and curbs.
