

Cluster Board Meeting 6-11-2019

- Call meeting to order at 7:38 PM
- Present at the meeting Eileen DuBose, Keith London, Martin Dapot, Bill Wagner, Jon Rojas, Jane LeGros, Jason Askey, and Shelly Hallonquist.
- Member forum:
 - Branches are being placed on sidewalk versus brown waste bags.
 - Will remind cluster through newsletter the proper way to dispose of yard waste.
 - Tot lot playground – fungus and mushrooms growing on mulch.
 - New playground mulch will be replaced for both playgrounds
 - Mosquito problem reported
 - Reminder to cluster households to remove standing water on property
- 1500 Park Glen Court requested new tree planted. Former tree was removed by cluster.
 - Motion to get price to remove stump at 8:27 PM. Talk about price and new tree replacement during next board meeting.
 - During time of meeting we were not sure if the stump had been removed. It was subsequently determined that it had been removed.
- May meeting minutes approved with changes at 8:29 PM
- Budget and Finance:
 - To speed up cluster work we will try to prioritize cluster proposals during future meetings
 - Budget approved at 8:48 PM
 - Shelly Hallonquist, Jon Rojas, and Martin Dapot will prepare budget for next fiscal year. Committee will meet in August
- Landscape Committee:
 - No report
- Cluster projects:
 - Cluster entrance signs – Paperwork for approval will be signed by three cluster board officers and three cluster residents.
 - Synthetic wood shakes –
 - Looked at color samples – Going to get more samples to compare samples.
 - Going to replace tot lot glider with stationary bench.
- New business:
 - Jack Meritt from Fairfax County Storm Water Management will meet June 19th at 9:00 to look at erosion problem behind Park Glen Court
- Next meeting July 16th 7:30 PM at 1504 Scandia
- Meeting adjourned at 9:32 PM
